PRINCIPAL'S CORNER

MRS. BRICIA HUCKLEBERRY

It has been a great start to 2024! It's been a pleasure stepping into this new role as principal. The students, families, and staff are top notch. Students are learning and thriving here at Edison. As we enter the second semester, demands and expectations in the classrooms begin to ramp up. Please continue to work with your student at home. It truly makes a difference!

I would also like to take this opportunity to inform parents of a slight change that will be implemented. We will no longer be taking specific teacher requests for the next school year. I am confident that every teacher at Edison is highly qualified and offers great things to enhance learning in their classrooms. Our culture at Edison focuses on finding the greatness in all students and helping them reach their fullest potential. If you are concerned about this change, please contact me and I will be happy to address your concerns.

Thank you again for your support and commitment to Edison Elementary!

Great things are happening here EVERY DAY!

KINDERGARTEN REGISTRATION Spring 2024

MARCO'S PIZZA NIGHT

Our next Marco's Pizza Night is **Thursday, February 8**. Order by phone at 419-281-5050 or online at marcos.com to earn extra funds for Edison Elementary School. Make sure to select the school and teacher's name when placing your order.

A big shout out to Mrs. Thomas' kindergarten classroom for having the most orders in January and earning a class pizza party.

AUTHOR-IN-RESIDENT IS COMING TO EDISON

We are so excited to announce that Alan St. Jean, children's book author, will be coming to Ashland City Schools at the end of February.

Built around an Olympic theme, he will work with our students at Edison to learn how the writing process works and how to publish a book. Mr. St. Jean will write with our 2nd and 3rd grade students in their classrooms February 26 - 28 to create a book. It will be a great week of learning! He will then return on March 18 for a final assembly and a family night in the evening from 5:30-6:30 at Archer Auditorium to celebrate their work. Put March 18 on your calendar, it is going to be a night to remember!
