PRINCIPAL'S CORNER

MRS. BRICIA HUCKLEBERRY

Bring on March Madness! Edison will be holding our first ever March Madness bracket, but with books instead of basketball teams. Students have completed their brackets and will begin to vote on their favorite books starting March 4th. We can't wait to see which brackets win and which get busted in the first round. Stay tuned for the final results.

Along with March Madness brings warm weather and busy schedules. There has been a lot of concern over pick up and drop off at Edison. With safety being our number one concern, I am asking that all parents utilize our car loops rather than parking in the lot and walking to pick up your students. Our loops are highly efficient and are generally finished by 3:35pm. Thank you for understanding that these systems are in place to keep our precious students safe.

MARCO'S PIZZA NIGHT

Our next Marco's Pizza Night is Thursday, March 14. Order by phone at 419-281-5050 or online at marcos.com to earn extra funds for Edison Elementary School. Make sure to select the school and teacher's name when placing your order.

A big shout out to Mrs. Cherry's kindergarten classroom for having the most orders in February and earning a class pizza party.
