### Message From Mrs. Brodie

Home run! Can you believe how fast this school year flew by? Our students hit it out of the park with their outstanding Arrow behavior and leadership qualities! I'm incredibly proud of ALL of our students for their academic growth! A massive shoutout to our phenomenal Reagan community - parents, students, and staff - for their dedication and hard work, making this school year an absolute win!

As we gear up for summer, we're counting on your continued support to keep your child's success streak alive! Dive into the joy of reading with a wide array of books, and why not swing by the public library to join their summer reading program?

Let's make the most of these precious summer moments together as families! Time flies, and our kids grow up in the blink of an eye. Let's craft memories that'll last a lifetime!

*Mrs. Brodie*

We would also like to take this opportunity to inform parents of a slight change that will be implemented. We will no longer be taking specific teacher requests for the next school year. We are confident that every teacher at Reagan is highly qualified and offers great things to enhance learning in their classrooms. Our culture at Reagan focuses on finding the greatness in all students and helping them reach their fullest potential. Thank you for understanding and believing in our amazing teachers and students!
